

STAR PATIENT TESTIMONIAL

PATIENT NAME: Dorothy H. Hensy

Dr. Wagner would appreciate very much your answering these questions regarding your care. Since your story will be put in "Our Patients Speak" book, please write or print neatly

Describe your major complaint and what was done to correct your problem prior to seeing Dr. Wagner: I started with low back pain, numbness and slightly tingling down leg and into feet. Primary physician at that time sent me to a neurologist and at that time sent me to another neurologist. ^{TOO LATE}

How long have you been suffering from this condition and how did this affect your life? About 4 years or longer. - Unable to do a lot of things I enjoyed doing -

How did you hear of Dr. Wagner: My new primary physician wanted me to try Dr. Wagner. Had heard he had heard good things about him.

Has your problem been helped by Chiropractic/Rehab care, and how has this affected your life? Yes, feeling much better, a lot less pain and gaining strength. Looking forward to even more relief -

May we use this sheet to display in our reception room so that others may know the benefits of chiropractic? yes

Additional Comments: Thank you, Thank you

Patient Signature: Dorothy H. Hensy Date: April 13, '08

after many test MRIs, X-rays, injections and special tap, orthopedic Dr and three sessions of therapy only to receive pain killers temporary relief and my condition grew worse and adding hip pain. Having a hard time walking -
